PETITION

To the Government of the Province of British Columbia,

By the under-signed citizen(s) of Surrey, White Rock, Township of Langley, Langley City, Abbotsford, Chilliwack, New Westminster, Burnaby, Vancouver, Coquitlam, Port Coquitlam, Pitt Meadows, Maple Ridge, and other jurisdictions north of the Fraser River,
For the purpose of replacing the Port Mann Bridge tolls on the citizens of this province by an annual license plate increase from $24.00 up to $40.00 for all small to light weight vehicles registered with the Insurance Corporation of B.C.'s AutoPlan or more for larger vehicles,
Due in part to the shift of commercial traffic to the South Fraser Perimeter Highway which has no tolls, threats to the safety levels of the old Patullo Bridge, increases to the traffic volume through New Westminster, and financial loss and reduced standard of living on the citizens mentioned in these communities, while many other communities on the mainland and Vancouver Island have no tolls, and also due to it being an integral part of the Trans-Canada Highway #1.

Equally important is the Golden Ears Bridge Toll system that needs to be replaced to eliminate injustices between Fraser Valley citizens and Greater Vancouver citizens also.
